PROFESSIONAL EXPERIENCE

UI/UX Designer | Multimedia Designer | Video Editor December 2025 – Present
SKYUP Digital Solution

- Design websites, mobile apps, dashboards and landing pages in Figma, from user flows and wireframes to high-fidelity UI and developer handoff.
- Create branding, social media creatives, promo videos, motion graphics and reels using After Effects, Premiere Pro and CapCut.
- Work with developers and marketing teams, using ChatGPT, Claude AI and Gemini AI to speed up ideation and content.
- Maintain design consistency across platforms with shared visual standards, design systems and responsive layouts.

UI/UX Designer October 2024 – November 2025
Uniserve DR Tech LLP

- Designed web apps, dashboards, landing pages and mobile screens in Figma, backed by competitor analysis and usability reviews.
- Customized Shopify themes and improved e-commerce pages for better engagement and conversion.

UI/UX Designer July 2023 – July 2024
Pixelmax Softech

- Designed website and mobile app UIs, landing pages and dashboards, and helped build reusable components and the design system.

UI/UX Designer December 2022 – May 2023
Invensis Technologies Private Limited

- Designed responsive web and mobile UIs in Figma and prepared developer handoff files following design system and accessibility standards.

FEATURED PROJECTS

Abhicabs Cab Booking App & Website abhicabs24x7.com

Designed the mobile app and website for an outstation cab service. Worked on the booking flow for one-way, round trip, local, airport and group trips, plus vehicle selection and popular route pages.

Tools: *Figma, ChatGPT, Claude AI, Canva*

Novara Nature Estates Website novaranatureestates.com

Designed a mobile-first website for a managed farmland project near Bangalore. Kept the focus on location, amenities and plot details, with easy ways to book a site visit or enquire on WhatsApp.

Tools: *Figma, ChatGPT, Claude AI, Canva*

Midori Shopify Store shopmidori.in

Designed the Shopify store for an Ayurvedic supplement brand, including the homepage, collection pages and product pages.

Tools: *Shopify, Figma, Photoshop, ChatGPT*

The Vector Graphics Website thevectorgraphics.com

Designed the website for a packaging design agency, with the portfolio up front and simple service pages that lead to an enquiry form.

Tools: *Figma, ChatGPT, Claude AI, Canva*

SKYUP Digital Solutions Website Redesign skyupdigitalsolutions.com

Redesigned our company website as a 3D experience. Came up with the concept and creative direction, and worked with the developers to build it using Claude AI, including the scroll-based intro and page flow.

Tools: *Claude AI, Figma, ChatGPT, Canva*
